

Hollin Hall Summer Day Camp @ A Child's Place

Swimming Ability Form

1500 Shenandoah Road, Alexandria, VA 22308

This summer the campers will have the opportunity to use several local water parks and/or swimming pools. We are asking parents to complete this form rating your child's swimming ability. Although we always take precautions when the campers are near or in water, we will be better able to supervise and group campers with this information.

All campers must wear an orange HHSDC issued swim shirt. Campers may wear a swim shirt from a previous camp season, or a new one may be purchased for **\$30**. Campers are not allowed to wear their own personal swim shirts. Camp swim shirts allow all staff to easily identify HHSDC campers in the water.

Please complete this form and return to the office as soon as possible. Thank you for your cooperation.

Camper Name: _____ Juniors _____ Seniors _____

***Please note: County regulations at each water park require a specific height in order to use the slides. If a camper does not make that height requirement, they are given a swim test. If they cannot swim, they are issued a life jacket and limited to shallower areas.**

A Child's Place at Hollin Hall has also chosen to opt out of taking the Junior campers to water parks that have wave pools.
